Ad Requirements

Electronic submissions only.

Electronic ads must be submitted as high-resolution PDF, EPS or TIFF. Minimum 300 dpi. Quark XPress EPS files are not acceptable.

All fonts (both screen and printer versions) and graphics must be included on the disk or embedded in PDFs.

Ads must be submitted in the correct size (full page, half page, etc., allowing for bleed if ad is to bleed; see “Ad sizes”) and orientation (vertical or horizontal per insertion order).

All ad files must be constructed properly. For example: **4-color ads must be constructed in CMYK with no use of spot colors.** (If any PMS colors are in the ad the creator of the ad must convert those colors to CMYK.) Any ads intentionally printing with spot colors must be constructed with the proper PMS colors; PMS colors must be indicated and called out on the color proof. Ads to print in black and white must be constructed using grayscale, bitmap, or line art accordingly, rather than CMYK or spot colors, or “rich black” or “Registration” in place of black. Ad files must be converted within the native layout application or flattened in Acrobat using the High Resolution Flattener Presets. Any ads not following these guidelines will be returned to the advertiser for correction if time permits; otherwise, they will be corrected at the printer and printer charges will be billed to the advertiser accordingly. AACN, the printer, and SLACK Incorporated take no responsibility for problems such as color shifts, errors in image resolution, or errors related to ad size that occur when ad files must be corrected at the printer due to poor or incorrect construction at the time of submission from advertisers or their agents. Late ads are subject to additional fees.

All ads must include a proof. Color ads must include color copy that can be matched on press (examples: tearsheets; digital proof such as an iris, chromalins, matchprints). Color photocopies or color laser printouts are not acceptable. AACN will not supply a proof for advertiser-supplied files.

2. General Rate Policy
   a) **Effective Rates and Discounts**: Beginning January 2019 for all advertisers.
   b) **Earned Rates**: Full run: Earned rates are given to advertisers based on advertising frequency within a 12-month period. The earned rate is determined by the number of insertions. A spread counts as two insertions. Full-page and fractional pages count as single insertions. Each page of an insert counts as one insertion.
   c) **Combined Earned Frequency**: Advertisers may combine advertising space units run in *American Journal of Critical Care*, *Critical Care Nurse*, *AACN Advanced Critical Care* and *AACN Bold Voices* to achieve maximum rate frequency.

3. Extensions
   If an extension date for material is agreed upon and ad material is not received by the Publisher on the agreed upon date, the advertiser will be charged for the space reserved.

4. Cancellations
   If, for any reason, an advertisement is cancelled after the closing date, the Publisher reserves the right to repeat a former ad at full rates. If the advertiser has not previously run an ad, the advertiser will be charged for the cost of space reserved. Neither the advertiser nor its agency may cancel advertising after the closing date.

5. Advertising Acceptance Policy
   All advertising is subject to approval by AACN. Publisher reserves the right to refuse any advertising at any time.

6. Disposition of Material
   Ad material will be held one year from the date of last insertion and then destroyed.

7. Publisher’s and Representative’s Liability
   The Publisher and Advertising Sales Representative will not be liable for any failure to print, publish, or circulate all or any portion of any issue in which an advertisement accepted by the Publisher is contained if such failure is due to acts of God, strikes, war, accident or any circumstances beyond the Publisher’s control.

8. Indemnification of Publisher
   In consideration of publication of an advertisement, the advertiser and the agency, jointly and separately, will indemnify, defend and hold harmless the periodical, its officers, agents and employees against expenses (including legal fees) and losses resulting from the publication of the contents of the advertisement, including, without limitation, claims or suits for libel, violation of right of privacy, copyright infringements or plagiarism.

9. Billing Policy
   Billing to the advertising agency is based on acceptance by the advertiser of “dual responsibility” for payment if the agency does not remit within 90 days. The Publisher will not be bound by any conditions, printed or otherwise, appearing on any insertion order or contract when they conflict with the terms and conditions of this rate card.
